

İslām Tēmplē Nō. 182
İllüstriöüṣ Pötēntātē Mēṣṣāgē
Octōber 5, 2009

This web site is dedicated to the Past and Present, Officers and Nobles of Islam Temple No 182 Incorporated, who had the vision to dream of what could be, and the courage to make the sacrifices to keep Islam Temple moving forward.

Since May 6th 1972, many great Nobles have played a role in building the solid foundation on which we stand today. I am proud to be a part of such a rich history and to serve you as your Illustrious Potentate.

I am truly indebted to:

PP Kirk Hammond of "Saba Temple No. 186" for your support and God's given gift of turning Dreams into Reality.

Illustrious Potentate,
Ronnie Cole
